

BILL INTRODUCED TO REPEAL PUBLIC UTILITY MEASURE

Would Give Cities the
Control of Their
Utilities

UNIFORM BOOK LAW IS PLANNED

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 9.—Big features of the Small-Thompson program are before the general assembly. Senator Samuel A. Eitelson this morning introduced bills to repeal the public utilities law and to give home rule over utilities to the cities of Illinois.

The Thompson 5-cent transportation bill, placed before the senate by Senator Eitelson late yesterday, and the two utilities measures, were introduced in the house this morning by Representative Frederick Bippus of Chicago.

The Sadler-Church resolution providing for public ownership of local transportation lines through amendment of Article IX of the constitution went before the senate this morning. This "counter attraction" to the Thompson traction plan was offered in the house yesterday by Representative Ralph Church of Chicago.

Senator Henry M. Dunlap of Savoy and Representative Howard P. Castle of Barrington introduced their state police bill this morning.

Senator Richard R. Meents of Ashkum will head the Illinois commission to confer with Indiana authorities relative to improving the channel of the Kankakee river near the Illinois-Indiana line. Senator Meents and Representative C. B. Sawyer of Kankakee and Sidney Lyons of Chicago were appointed by Gov. Small this morning to constitute the commission.

Poetry was offered the senate when Senator Edward J. Glavin of Chicago introduced a bill to appropriate \$50,000 for building a memorial monument to the memory of General Phil H. Sheridan on Sheridan Road at Belmont avenue in Chicago.

Will Visit U. of I.
Senator Dunlap announced that preparations have been made for the senatorial pilgrimage to the University of Illinois next Wednesday. The senators will make the visit at the request of President David Kinley of the university who wants a full senate investigation of the university's claims for a two-year appropriation of \$10,000,000. Members of the house were also invited to go to Urbana.

The senate wound up its week's business this morning after a perfunctory session of the senators who remain in Springfield tonight will be held tomorrow. Committees in both houses have begun work.

The house by a vote of 121 to 3 passed the Smellie bill extending to June 30 the time for the city council of Chicago to make its annual budget. The measure was pushed thru the house by emergency.

Cities and counties would be liable for three-fourths the amount of damage to property caused by explosion of bombs, dynamite and other explosives under the provisions of a bill.

A uniform text book law for Illinois schools was introduced in the senate by Senator Harold Kessinger of Aurora. The bill provides for the selection of a commission composed of the state superintendent of public instruction, the director of the state department of education and registration, one county school superintendent, one city superintendent of schools and the president of one of the state normal schools to select the text books to be used for a period of five years.

The regulation of stock yards handling 25,000 head of stock annually, and live stock commission merchants would be placed under the jurisdiction of the state public utilities commission by a bill introduced by Senator Kessinger.

Several additional deficiency appropriation measures were introduced today. These include: Appropriation of \$91,215 for normal schools introduced by Representative Pace.

Appropriation of \$27,000 for auditor of public accounts introduced by Senator Barr and Representative Smekal.

Senator Barr and Representative Smekal also introduced bills appropriating \$21,716 now in the funds of the Fish and Game commission for payment of other expenses.

Provision for the appropriation of \$5,000 for the department of public works and buildings at Salem State Park, the old homestead of Abraham Lincoln, is made in a bill introduced this morning by Representative Homer J. Tice of Greenview.

IOWA STATE WINS
FROM NEBRASKA U.
Ames, Iowa, Feb. 9.—The Iowa State College team defeated the University of Nebraska 38 to 20 in a Missouri Valley Conference basketball game here today.

SUNDY CIVIL BILL PASSED BY SENATE FAVORS WAR VETS

Measure Carries About \$250,-
000,000 For Their
Relief

ONE OF MAIN ITEMS IS FOR HOSPITALS

(By The Associated Press)
WASHINGTON, Feb. 9.—The sundy civil appropriation bill was passed by the senate tonight, carrying a total of \$112,350,000, of which about \$250,000,000 is for world war veterans.

Among the principal items was \$18,600,000 for new hospitals and enlargement of present hospital facilities for service men as requested by American Legion. Funds for compensation and vocational training of the service men also were carried in the bill.

The appropriation of \$10,000,000 for development of the Muscle Shoals, Alabama, water-power project was retained without any change.

During final consideration of the bill today the senate voted to increase the appropriation for Mississippi river flood control from \$6,870,000 to \$8,600,000.

Second of Sixteen Bills.
The sundy civil bill is but the second of the sixteen annual supply bills to be passed by the senate, and Republican leaders are expressing private opinions that several of the appropriation measures appear to be doomed at this session and will be forced over into the extra session to be called by the next administration.

As passed by the senate, the sundy civil bill carried almost \$29,000,000 more than the house provided and about \$20,000,000 less than the appropriation for the present year. It will be sent to conference to adjust differences between the senate and house drafts.

What History Teaches.
The history of the sundy civil bill is a lesson in the maintenance of our rights and defense of the lives and commerce of citizens, upon the mercy, generosity or good will of other powers with rival or conflicting interests and ambitions," the committee informed the senate.

It is the opinion of this committee," the report continued, "that the United States should have under its control a sufficient force to protect and preserve both its material possessions, the policies it has established, the lives and rights of its citizens and the principles upon which its government is founded."

Other powers have not abandoned the major ship, said the report, and are proceeding with extended programs of battleship construction.

UNION MO., Feb. 9.—Two of eight armed men captured yesterday at Pacific, near here, were identified today as men sought in connection with the killing of City Detective Perry Frost of East St. Louis, Ill., November 14, last. The men were arrested by a sheriff's posse following robbery of the Merchants & Farmers' Bank of St. Clair.

More than \$12,000 in liberty bonds and war savings stamps found on them was identified as having been stolen from the bank.

Frost was killed when he and Detective Thomas O'Brien surprised several men holding up a soft drink parlor in East St. Louis. Joseph Brown and Robert Walsh are the two identified as members of the holdup gang. The identification was made by Detective O'Brien.

Seven of the men are held in the Franklin county jail here and the eighth, Charles Harrington is at Pacific suffering from wounds received when a quantity of nitroglycerin exploded as the posse surrounded the house at Pacific in which the men sought refuge.

PRICE FIXING POWERS
ARE FEARED BY LABOR

Gombers Makes Declaration Ap-
pearing Before Senate Com-
mittee Governed By Court
Action of Past.

(By The Associated Press)
Washington, Feb. 9.—Organized labor is apprehensive lest the price fixing powers proposed in the Calder coal regulation bill be directed against organizations of workers. Samuel Gombers, president of the American Federation of Labor, declared today in testifying before the senate committee considering the measure.

"I am influenced largely in my judgment upon this matter by the interpretation which the courts have placed upon similar legislative statutes in the past," Mr. Gombers said. "Laws designed to prevent combinations of industry have been applied to limit the activities of workers seeking to promote their individual rights by collective action."

The American judiciary, Mr. Gombers said, have not shown as much understanding of the rights of the workers, as legislative and executive branches of the government.

IMMUNITY FOR CHRISTIAN
SCIENCE PRACTITIONERS

Lincoln, Neb., Feb. 9.—The state senate today by a vote of 21 to 11 passed the bill having for its purpose immunity for Christian science practitioners from a charge of violating the medical laws of Nebraska.

WOULD HAVE NAVY EQUAL TO THAT OF ANY OTHER NATION

Reply of Committee to
Resolution of
Borah

CANNOT AFFORD TO DEPEND ON OTHERS

(By The Associated Press)
WASHINGTON, Feb. 9.—An American navy at least equal to that of any other power is advocated in a report of the Senate Naval committee filed today in the senate.

The committee replying to the Borah resolution said, "It is not practical and is not a sound policy to suspend naval construction for a period of six months or at all."

It urged completion of the great 1916 naval program except that two huge naval aircraft carriers be built in place of twelve destroyers and six submarines which have been authorized, but not yet contracted for.

Capital ships remain the principal units of the sea power, the committee said adding that submarines and air craft were at yet only auxiliary forces. The committee report to which Senator King, Democrat, Utah, plans to file a minority report tomorrow expressed a desire that an agreement for limitation of naval armament might be reached among the nations but said that until some such agreement were made the United States should continue its building program.

What History Teaches.
The history of the sundy civil bill is a lesson in the maintenance of our rights and defense of the lives and commerce of citizens, upon the mercy, generosity or good will of other powers with rival or conflicting interests and ambitions," the committee informed the senate.

It is the opinion of this committee," the report continued, "that the United States should have under its control a sufficient force to protect and preserve both its material possessions, the policies it has established, the lives and rights of its citizens and the principles upon which its government is founded."

Other powers have not abandoned the major ship, said the report, and are proceeding with extended programs of battleship construction.

STAMP OF APPROVAL GIVEN BY ROTARIANS TO U. OF I. PROGRAM

Hear David Kinley, Presi-
dent, Tell of School's
Needs

MUST NOT FORGET NORMAL SCHOOLS

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 9.—Rotarians of Illinois put their stamp of approval on the 1921 financial program of the University of Illinois today at the inter-city meeting of the state Rotary clubs here. Twenty-one clubs were represented and letters and telegrams from 22 others throut the state were received approving approving the university's plans.

Dr. David Kinley, president of the university in an address before the body declared the school would ask the legislature to appropriate \$10,500,000 for the next biennium, approximately double the appropriation for 1919-1920, explaining that amount was considered the minimum budget upon which the university could function properly for the next two years.

The budget is not based on the idea of asking for more than we expect to get, said Dr. Kinley. "It is a minimum budget in which allowance has been made for changed business conditions."

Increase of Sixty Per Cent.
"The truth of this will be evident at once when I tell you that for operation, not including buildings, we are asking for an increased appropriation of only sixty per cent in face of the fact that our attendance has increased over 100 per cent and the value of the dollar has fallen fifty per cent. We cannot ask teachers to work any longer for inadequate pay."

He added that the budget has been portioned as follows:
Operation, maintenance, etc., \$4,000,000 per year.
Special agricultural buildings, \$500,000 in the biennial period.

Extensions, including library, horticultural field, laboratory, addition to natural history hall, clinical laboratory in medicine, etc., \$1,000,000 per annum.

In addition to the university's needs, Dr. Kinley asked the Rotarians to take a favorable view of the educational requirements of the state and not to forget the normal schools or the \$20,000,000 distributive fund for common school purposes. In conclusion, he declared, the university's program would be ready for presentation to the general assembly in two or three weeks.

AFERIAL MAIL PLANE
COLLAPSE BRINGS
DEATH TO THREE

Accident Occurs as Landing
is Being Made at
Lacrosse

WERE FLYING NEW
TYPE OF PLANE

(By The Associated Press)
LACROSSE, Wis., Feb. 9.—Pilot W. L. Carroll and Roe and Mechanic Hill were instantly killed in the collapse of their aerial mail plane here at 5 o'clock today.

The three airmen in a type of plane new to the Chicago-Twin Cities air route, were about to land at Salzar Field here when an explosion sent their plane plunging earthward from a height of 600 feet.

Men at the United States air mail service station witnessed the accident but before they reached the fallen plane the bodies of the victims had been badly burned by fire that followed the explosion.

Carroll's home was in Minneapolis and Pilot Roe and Mechanic Hill whose full names were not known here, were said to be from Chicago.

Chicago, Feb. 9.—Aair mail officials here tonight said that Mechanic Robert B. Hill, who was killed with his two companions when their plane fell today near Lacrosse, Ill. They were unable to give the residence of Pilot Hiram Roe, another of the victims.

\$50,000,000 BOND
ISSUE FOR BONUS

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 9.—Governor Len Small in conference today with Representative D. S. Myers of Pontiac, placed his stamp of approval on the American Legion's bonus bill which will be introduced in the house by Colonel Myers tomorrow. The bill provides for a vote at the November election next year on a \$50,000,000 bond issue to pay the bonus to Illinois' soldiers.

The bonuses will range from \$30 to \$300, according to length of service.

ALBANY, NEW YORK
SCENE OF RIOTING

ALBANY, N. Y., Feb. 9.—Rioting more serious than any previously reported, occurred here late today in connection with the street railway strike of the United Traction Company's 1,200 employees in Albany, Troy and surrounding municipalities.

State troopers twice found it necessary to make use of their arms to quell disturbances in which non-union workers repaired broken trolley wires were showered with stones and bricks from house tops.

Eaton was convicted of the murder of Charles McQuillan, a white planter in December, 1917.

HEAR CRITICISM OF BUREAUS DEALING WITH WAR VETERANS

Says Chiefs of Various
Agencies Do Not
Work Together

APPROVE UNKNOWN SOLDIER PROPOSAL

(By The Associated Press)
WASHINGTON, Feb. 9.—After listening to criticism of the Government bureaus dealing with war veterans, the executive committee of the American Legion today concluded a three day meeting here by going to the capitol, where they interviewed members of Congress concerning legislation favored by the Legion.

F. W. Galbraith, national commander, reported after the visit to the legislative body that he had been assured by Senator Penrose of Pennsylvania, chairman of the finance committee, that the bonus bill would be reported out of committee and in all likelihood would be passed at this session. Members of the Legion committee also expressed before belief that all measures for disabled veterans relief would be enacted, including an increase from \$33,000,000 to \$45,000,000 for maintenance of hospitals provided for in the sundy civil bill.

Criticism of Government bureaus launched by Abel Davis, of Chicago, chairman of the Legion's hospitalization committee, followed a committee report urging the consolidation of the war risk insurance bureau, the vocational educational board and a part of the public health service.

Do Not Work Together.
He declared that the chiefs of these agencies at present do not work together adding that they packed committees of the Legion with bureau employees who were Legion members, in efforts to handicap the work of committees in obtaining relief for disabled veterans. As a result of his charges the executive committee adopted a resolution recommending to state organizations that no bureau employees be appointed to Legion committees.

No action can be taken on the Legion's suggestion to the Knights of Columbus to remove all conditions to their offer of \$5,000,000 for the erection of a war memorial here until the board of directors of the Knights of Columbus pass on the matter, according to information received today by John G. Emery, chairman of the memorial committee.

Proposals to bring the body of an unknown soldier from France to be interred in Arlington cemetery, were approved by the committee.

CHICAGO MOONSHINE
IS POWERFUL DRINK

Officers Describe Building as
Two Story Frame and Then
Hand Judge Landis Picture of
Brick Building—Judge Tells
Them to Take Another Look.

(By The Associated Press)
Chicago, Feb. 9.—The question of whether the moonshine whiskey investigators drink when obtaining evidence against violators of the prohibition law has an effect which would make their testimony of no value arose today and resulted in the release of a saloon owner.

Investigators testified that they had purchased drinks in the saloon after a temporary injunction had been issued against it by Judge Landis. They described the saloon as a two-story frame building. Judge Landis then handed a photograph of the building.

"Why, this is a picture of a brick building," he exclaimed. The investigators were ordered to go out and take another look at the building.

"Yes, it's brick," they admitted on their return and the contempt proceedings against the building's owner were then dismissed.

FORGOT TO HANG
MAN SHERIFF SAYS

Attorney General Says He Must
Hang Unless Pardoned.

NEW ORLEANS, La., Feb. 9.—Attorney General Cocco announced late today that Lonnie Eaton, a negro who has been living since Feb. 4, because the sheriff forgot to hang him on that date as had been directed in his sentence for murder, must be hanged unless the board of pardons recommends commutation of sentence.

In his opinion the attorney general said that as the trial court had sentenced Eaton to hang the death sentence was in effect until carried out. Although the sheriff had overlooked the execution on the date set there was no reason why it should not take place at another time, he declared.

Eaton was convicted of the murder of Charles McQuillan, a white planter in December, 1917.

ST. AUGUSTINE WILL BE HOME OF HARDING UNTIL INAUGURATION

Many Important Questions
to be Decided Before
March 4

PRESIDENT-ELECT LOOKS REFRESHED

(By The Associated Press)
ST. AUGUSTINE, Fla., Feb. 9.—Abandoning his houseboat cruise to begin a fast series of consultation on the personnel and policies of the coming administration, President-elect Harding returned by automobile tonight to St. Augustine where he will spend most of the time until inauguration day.

With his return here, Mr. Harding is to take up not only the final selection of a cabinet but many other questions that must be settled before he takes the oath of office on March 4. Altho he has a more or less definite idea on most of these subjects, it is known that the crucial decisions are yet to be made. So far as the cabinet is concerned he is holding his mind on virtually everyone of the places.

During his houseboat trip to Miami, which began on January 22, he has declared official business "taboo" and only the most pressing messages have been forwarded to him. When he reached his headquarters here he found that more than a hundred messages relating to about everything that may hold the interest of a president-elect.

Tanned and Looks Refreshed.
In preparation for this task, Mr. Harding believes he has had a thorough vacation. He returned to St. Augustine wearing a thick coat of tan and looking thoroughly refreshed and confident. He is making his home at a hotel.

The final decision to leave the Victoria was reached after she had been released from the mud and had once more gone aground in the winding channel below New Smyrna. It was a program of off-again, on-again, which tried the patience of the ship's crew and led Mr. Harding's secret service guard a merry chase.

The Victoria on which Mr. Harding was the guest of Senator Freelinghuysen, of New Jersey, was due here on Sunday night and the President-elect already had postponed several appointments in order to finish the cruise. The vacation party disbanded at the Daytona pier, Senator Freelinghuysen himself leaving the boat to go to Washington by train.

KANSAS OFFICIALS
ARE ARRAIGNED ON
CONTEMPT CHARGE

Released on Their Own
Recognizance, Hearing
Set for Feb. 15

SHOT FIRERS
ARE DISCHARGED

(By The Associated Press)
PITTSBURGH, Kans., Feb. 9.—John Bierbrodt, George Chipe and William Hasson, president, financial secretary and recording secretary respectively of Local Union No. 1221 at Crowberg, were arrested before District Judge A. C. Curran this afternoon, charged with contempt of court for flouting two shot firers who filed a case in the Kansas court of industrial relations in violation of an injunction issued last September by Judge Curran. The court set their hearing for next Tuesday, Feb. 15, to follow the hearing of Alexander Howat and other district officials who called a strike involving two mines and two hundred men. The local officials were released on their own recognizance.

Shot Firers Discharged.
The shot firers testified yesterday before Judge Clyde M. Field of the industrial court, that they had been discharged and that the mine officials informed them their discharge had been demanded by the pit committee which represents the local union at the mine.

They went to Alexander Howat, district president, with their case they said. The men testified that Howat refused to interfere saying that it was a strike and the court would crafty him" and if he went to the local officials and told them to give the shot firers a trial, the local officials would "tell me to go to hell."

When they told Howat they would appeal to the industrial court he grew angry and told them they would be thrown out of the union they said.

Governor Observes
Fortieth Birthday

Olympia, Wa., Feb. 10.—Governor Louis F. Hart today celebrated his fortieth birthday by signing the civil administration code bill which he assisted in drafting and which provides for abolition of several bureaus and commissions of departments and boards in the state government, placing control of state affairs in charge of ten administrative departments.

Contracts to Be
Closed For Dry Dock

Los Angeles, Cal., Feb. 9.—Rear-Admiral Roger Welles, commander of the eleventh naval district, announced today contracts were to be closed between the government and the Los Angeles shipbuilding and drydock company building and repairing more than 100 destroyers of the Pacific fleet. The contracts it was said, will involve \$12,000,000.

GOOD WARNS EXPENSES OF GOVERNMENT MUST BE GREATLY REDUCED

Says That Lower Taxes Will Not Come Unless
Appropriations are Cut—Figures Given
Are Almost too Large for Comprehension
—Would Repeal the Excess Profits Tax

(By The Associated Press)
WASHINGTON, Feb. 9.—Warning the house that the mounting wave of high taxation would not roll back without a sharp and sweeping reduction in government expenditures, Representative Good, Republican, Iowa, chairman of the appropriations committee, declared today the time had come to call a halt.

Figures almost too big for comprehension by the average man were hurled over the heads of members as Mr. Good, in dramatic fashion, told of the vast sums expended and the growing appeals for more. There was a shout of approval when he insisted that the appropriation bills must be passed before the change of administration March 4.

Laying down the definite policy that expenses must be cut before there is talk of lower taxes, Mr. Good insisted that appropriations for the year beginning next July should be kept within three and a half billion dollars, virtually the sum recommended in the big supply measures for that period.

Mr. Good's plea for government economy was made in presenting the first deficiency bill for the present year, carrying a total of \$203,000,000.

Passes Five Billion Mark.
Democratic members of the committee declared there would be other deficiency sums, and Representative Byrns, Democrat, South Carolina, declared direct appropriations this year already had passed the five billion dollar mark.

This stupendous sum could be best understood, Mr. Byrns added, by the fact that in order to meet it the government must levy an average tax of \$50 on every man, woman and child in America.

In suggesting methods of raising revenue without making the burden on the individual more severe than it has been since the early days of the war, Mr. Good said he doubted if a tariff law could raise more than \$400,000,000 without disturbing international trade relations.

Using the repeal of the excess profits tax, Mr. Good said: "We shall not need the revenues that have been brought in by the excess profits tax if we will cut down appropriations. There is where we can pause to effect a saving. It will be a system of economy and the financing of temporary loans, such as our certificates of indebtedness, the war saving stamps and the victory loan."

It ought to be done by borrowing money rather than by taxing the American people as we have done in the past two years."

At this point Mr. Good was interrupted by Representative Oldfield, Democrat, Arkansas, who said he feared the Republican party would impose a sales tax to take the place of the one it wanted to repeal.

Sales Tax Would Be Foolish.
"The party that is so foolish as to place a sales tax on the backs and bellies of the American people," Mr. Good replied, "would go down to a humiliating defeat because the people of the country would not stand for it."

Mr. Good said the higher tax of \$5.40 a gallon should be imposed with withdrawal of liquor from bonded warehouses, liquors taken out for medicinal and used for beverage purposes. By lifting the tax from \$2.20, he figured the treasury revenue would be increased from \$50,000,000 to \$100,000,000. By demanding the same tax on the tobacco industry that Great Britain collects, Mr. Good said treasury receipts from this commodity would jump from \$30,000,000 to \$70,000,000 a year. He also advocated a higher tax on passenger-carrying automobiles, figuring on a revenue from this source of about \$200,000,000, half of which should go, he thought, to the roads being used almost exclusively by such vehicles.

Representative Byrns, Tennessee, ranking Democrat on the appropriations committee told the house if it followed the advice of Chairman Good there would be no doubt about reduction of appropriations.

WEATHER REPORT

Illinois: Unsettled Thursday possibly rain; Friday fair; not much change in temperature.

Temperatures.

Capital punishment is such a common thing in the southern states that a Louisiana sheriff forgot to hang one of his prisoners the other day. Now he doesn't know how to comply with

the law and has applied to the governor for instructions.

A bill has been introduced in the state legislature which would authorize cities to own and operate street railways. Local people at all familiar with the operation costs and the revenues relating to the Jacksonville street railway will not be enthusiastic about taking advantage of such a law. "Disadvantage" would be the better word.

A school report in one large central Illinois city shows that 75 per cent of the children have not been vaccinated. This percentage is very much smaller than was true ten years ago, and probably the figures describe conditions in many other cities. It will take a smallpox epidemic to awaken some communities to

the advantage of vaccination and impress upon them the error of taking chances with such a disease.

Because Alexander Howat, the rebellious Kansas miners' chief is again defying the courts a number of miners have gone on a strike. The public is not at all interested now in a miners' strike, because of unusual weather conditions and the big surplus of coal. It will take some more effective weapon than a strike to bring results.

The All-American Co-operative Congress will open its sessions in Cleveland today. There will be a lot of talk about consumers buying direct from the producers and so reducing costs. Probably in this talk the necessity for the existence of a great majority of middlemen will be forgotten.

The administration bill to abolish the state utilities commission and provide for home rule has been introduced in the legislature. The full text is not available, but no doubt the bill provides for some organized board to take over many of the duties of the utilities commission. Some such centralized control is necessary and was so recognized by Gov. Small in his inaugural address.

Bankers are not nearly so busy with their income tax work on behalf of customers as they were a year ago. One reason is that the tax payer is a little more able to do something for himself in this line because of experience, and then there are the many people who are finding that because of a slump in prices that figuring out their net income is an easy matter. This is the situation in every community where the majority of income tax payers are farmers or directly interested in farming operations.

Lloyd George wasn't talking about Senator Borah's plan for a naval holiday, but his warning has its application. The British premier says of his nation: "We are engaged in a terrible task. I would that someone could tell me with authority that danger is past—danger resulting from the fact that the world is reeling under the most terrible blow ever dealt." Remembering that description of the world condition, it doesn't appear that this is a time for the U. S. to take a six months' rest in ship building. The future is too uncertain.

RETURNS FROM BUYING TRIP
Miss Rita Winter, buyer for the firm of F. J. Waddell & Co., returned Wednesday from New York, where she has been doing the spring buying for the ready to wear department.

JACKSONVILLE AND NEW BERLIN IN TIE

Score 15 to 15 When Visitors Have to Catch Train—Game Was Rough and Hard Fought.

Jacksonville and New Berlin high played a tie game in David Prince gymnasium Wednesday evening, the final score being 15 to 15. When the game ended the score was at the above figures and a five minute overtime period was played in which neither team scored. Both had chances by free throws during this period.

Then New Berlin left the floor having to catch their train to return home. The work was fast and rough at times and both teams played hard all the time. Coach Mitchell was well pleased with the work of his squad.

Friday night Jacksonville plays Jerseyville on the local floor. The locals played Jerseyville a close game on the Jerseyville floor some weeks ago and are figuring on reversing the decision Friday night. "Jimmy" Barnes of Illinois college refereed and his work was satisfactory.

FRANKLIN

Miss Mabel Brewer, who has been a patient at Our Savior's hospital the past four weeks, will return home in a few days.

Miss Ruth McLamar entertained the Standard Bearers Saturday afternoon.

Katherine Eador returned to Springfield Monday morning after a visit with home folks.

BITS OF BYPLAY

By LUKE McLUKE

Copyrighted 1921, by The Cincinnati Enquirer.

Wuff!

Sweet Helen Blazes, made him sit. He told his love in honeyed phrases; And, when he asked her Paw for her, Her Father gave him Helen Blazes.

Haw, Haw!

"Do you believe in a supreme being asked the Bachelor. "Sure," replied the Benedict, "I married her."

Modest.

She blushes when she talks to men. She's often quite distressed; She said: "Don't you mean 'Bosom'?" when A soldier spoke of "Brest."

Bill Had His Choice.

Mrs. Butlin, the Social Investigator, Community Service Worker, Child Development Expert, &c., was visiting a middle-class neighborhood and had dropped into the home of Mrs. Blunt, who was fixing lunch for six-year old Bill Blunt, the youngest of a family of five. The other four Blunt offsprings were old enough to work.

"I don't want no hamburger," said little Bill Blunt, as he pushed away the plate his Mother had placed before him.

"You'll eat hamburger or nothing," replied Mrs. Blunt.

But, Mrs. Blunt, interrupted Mrs. Butlin, "you should not force anything on a child that way. Always give the child a choice."

"Is that so?" sneered Mrs. Blunt. "All right, Bill, you can have your choice between hamburger or a dam good licking. Which is it?" Bill took hamburger.

Help!

That fellow always wants to fight. He's a pugnacious dabb, I fear; He scraps all day, and then at night He gets in bed and pounds his ear.

The Wise Fool

"Talk is cheap," observed the Sage. "And yet some people are always making extravagant remarks," commented the Fool.

Advice.

Please shun midnight delights, Reform your wild ways; When you lengthen your nights, You shorten your days.

Onch!

Letter from a Hattiesburg (Miss.) man to a patent chicken feed company: "Gentlemen! Before using your chicken feed my hens would not lay. I used your feed last night and this morning I found the chickens laying all over the yard."

The New National Anthem.

Ashea to ashes, Dust to dust. If nitre don't get you Wood alcohol must.

Well, Well!

L. O. Bears, President of the Geneva, (Ind.) band, has two daughters. Their names are Ica Binda Ruth Lucinda Bears and Oca Elita Jene Jenetta Bears.

"HOW COME"
Concluded
Two weeks ago we told you in this space about "How Come" that we were able to put on a special sale on "old time" serges—blue, blue striped and the browns.
Last week we told you our offer was continued one more week. That many had been in "to look" and had remained to buy. So would you had you taken the time to call.
This week "How Come" is concluded. You have until Saturday to take advantage of this sale.
A wonderfully fine serge suit—Blue, Striped or Brown—at a really wonderfully low price, lower than can possibly be the case again for many months to come.

THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful bearing-down pains so I could not stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish."—Mrs. HERBERT L. CASSEN, 18 Meni Court, Providence, R. I.

Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pinkham's Vegetable Compound.—"For about three years I was very nervous and had backache, sideache, dragging-down pains, could not sleep at night, and had no appetite. At times I could hardly do my housework. I got medicine from the doctor but it did not help me. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it with good results, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial."—Mrs. CHESTER A. BALL, R. 15, Fayette, Ohio.

An Illinois woman relates her experience: Bloomington, Ill.—"I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a backache I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Pinkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J. A. McQUITY, 610 W. Walnut St., Bloomington, Ill.

The conditions described by Mrs. Cassen, Mrs. Ball, and Mrs. McQuity will appeal to many women who struggle on with their daily tasks in just such conditions—in fact, it is said that the tragedy in the lives of some women is almost beyond belief. Day in and day out they slave in their homes for their families—besides the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering from those awful bearing-down pains, backache, headache, nervousness, the blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine has been restoring suffering women to health and strength.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

C. J. Wright and family in Jacksonville.

Mr. and Mrs. Charles Riggs and son, Phillip Wayne, of Jacksonville, spent Saturday night and Sunday in Jacksonville with relatives and friends.

Mr. and Mrs. George Simpkins of near Jacksonville were visitors Sunday with the latter's parents, Mr. and Mrs. J. K. Cunningham.

The W. F. M. S. will meet Friday afternoon with Mrs. A. H. Kennedy.

Mrs. Clara Crouse of White Hall is spending this week with relatives here.

Mr. and Mrs. William Wade and children were entertained Sunday at the home of Mr. and Mrs. W. B. Rimbey.

County Clerk G. L. Riggs of Jacksonville was a business visitor here Tuesday.

WAS ALL RUN DOWN AFTER OPERATION

Avoided second operation and is now picture of health.

"I had a very severe operation which left me in a miserable condition, badly constipated, female trouble, kidney trouble, stomach trouble, could not eat or sleep. I felt as if life was of no use to me. Several doctors told me that I would never be better until I had another operation. One year ago I commenced taking Milk Emulsion and I cannot praise it enough. I can eat and sleep like a baby and the people of this town have seen what Milk Emulsion has done for me and are now using it. It has been a God-send to me. I know it saved my life. I was nothing but a shadow of my former self when I began taking Milk Emulsion and now I look the picture of health. My parents are very thankful to you as my sickness had cost them hundreds of dollars."—Ethel Hartmann, Salsville, Ohio.

A run-down body invites disease. Let Milk Emulsion build you up as it has others. It costs nothing to try. Milk Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milk Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milk Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 75c and \$1.50 per bottle. The Milk Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

KNIGHTS OF COLUMBUS WILL PLAY OLYMPICS

Local Basketball Five Will Clash With East Springfield Team Friday Night—Hard Game Looked For.

The Knights of Columbus basketball five will clash with the Olympic five at Springfield at Liberty hall Friday night. The game will be called at 8:15 o'clock. The Olympics are considered one of the best fives playing out of Springfield. Earlier in the season they won a victory over the high team on the local floor. Edges, center and Call, forward, were seen here with the Wav-

ers team of Springfield, are in the Olympics lineup and this gives assurance that the Knights will have their work cut out for them. Owing to rehearsals for the minstrel show practice the playing schedule of the Knights was somewhat interrupted. However, with that out of the way, the men have settled down to practice again and expect to complete their schedule without further interruption.

The work of installing shower baths in Liberty hall has been completed and this will make it much more convenient for the players. The playing floor has been oiled and this will keep down the dust making it much more comfortable for the spectators.

GIRLS WANTED

for machine and hand sewing in our Clothing Department. Pleasant work; good wages while learning and opportunity for advancement. J. CAPPS & SONS, Ltd.

WILL SPEAK AT J. W. C.

CHAPLAIN EXERCISES Dr. Herbert A. Keck, pastor of the M. E. church at Champaign, is a visitor in the city. This morning at 10:30 o'clock he will make an address at the chapel exercises at Illinois Woman's college. Friends of the college are cordially invited to attend this service.

A TEXAS WONDER

For kidney and bladder troubles, gravel, weak and lame back, rheumatism, irregularities of the kidneys, if not sold by your druggist, by mail, \$1.50. Small bottle often cures. Send for sworn testimonials. Dr. E. W. Hall, 2206 Olive St., St. Louis, Mo. Sold by all druggists.—Adv.

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared. You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and there is nothing better for coughs. Into a pint bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it. You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., P. O. Wayne, Ind.

Deaths

Ulmer.

A message received here by Mrs. Emma Penstemaker of South East street brought news of the death in Chicago of Mrs. Susan Ulmer for many years a resident of this city. Mrs. Ulmer was past eighty-two years of age and retained her faculties until the last in a remarkable manner. Her illness was of only a few days' duration and her death occurred at a Chicago hospital.

After removing to Chicago ten years ago Mrs. Ulmer made her home with her son Louis. The deceased while resident here was an active member of Grace M. E. church and largely interested in missionary society and the other departments of the church work.

The deceased was also identified actively with the W. C. T. U. Mr. Ulmer and one daughter died a number of years since. The son Louis is the only surviving member of the family.

Funeral services were held in Chicago Wednesday afternoon, with interment in Evergreen cemetery.

CHAPIN TEAM WINS IN BASKETBALL GAME

Defeated Meredosia Players by Score of 60 to 6 Wednesday Evening—The Lineup and Scores.

The Chapin high school team defeated Meredosia at Chapin Wednesday night by a score of 60 to 6. The first half of the game ended with a shutout for Meredosia, the score being 32 to 0. Although the young men from Meredosia were outclassed in their play, they put up a spirited fight until the close of the game. The teams and the score follow:

MERDOSIA:	P. G. F. T. Tot.
Beauchamp, G.	0 0 0 0
Buecher, G.	0 0 0 0

Tired Out?

Do you know that languidness, that "awful tired feeling," heaviness, lame or weak back, sore muscles, stiff or swollen joints, rheumatic pains, lumbago, in the great majority of cases, indicate kidney trouble?

Foley Kidney Pills

act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to a healthy condition.

Mrs. Robert Blair, 461 S. 20th Street, Terra Haute, Ind., writes: "I suffered two years with kidney and bladder trouble frequently getting backache. Mornings I would arise feeling very tired and having lumbago, and see foggy spots before my eyes. I saw Foley Kidney Pills advertised and made up my mind to try them. After taking them a few weeks I found my trouble dispelled. The backache stopped and my kidneys were restored to healthy, normal action. I am also free of those tired spots and headaches and my vision is no longer blurred. My recovery is entirely due to Foley Kidney Pills, which I gladly recommend."

USE PYRAMID AND BE HAPPY

If Endurance is Being Tried to the Limit Get a Box of Pyramid Pile Suppositories

If you are struggling with the pain and discomfort of itching, bleeding, protruding piles or hemorrhoids, go over to any drug store and get a 60 cent box of Pyramid Pile Suppositories. Take no substitute. Relief should come so quickly you will wonder why anyone should continue to suffer the pain of such a distressing condition. For a free trial package, send name and address to Pyramid Drug Co., 606 Pyramid Bldg., Marshall, Mich.—Adv.

The quick gasping cough of croup is something that every mother dreads. It comes in the dead of night when medical assistance is hard to obtain. That is why Glessco has been a household article in millions of homes for thirty years. One dose gives immediate relief but does not upset the delicate child's stomach. At all druggists in 50c bottles.

CROUP

That is why Glessco has been a household article in millions of homes for thirty years. One dose gives immediate relief but does not upset the delicate child's stomach. At all druggists in 50c bottles.

DOCTOR RECOMMENDS FRUITS AND CEREALS

Boston, Feb. 9.—The man who lives on the proverbial boarding house diet of white bread, potatoes, meat occasionally, prunes and skim milk may look well, but he lacks vitality and tone. Dr. Martin Edwards, a specialist in dietetics said in an address to the Methodist Ministers' association today. He recommended fruits and cereals as the things that give mineral salts and vitality.

PRESENTS NEW METHOD FOR CURE OF TUBERCULOSIS

Discovery Was Made by Swiss Bacteriologist During War

ANTITOXINS ARE USED IN TREATMENT

PARIS, Feb. 9.—After a lapse of about seven or eight years, Professor De Aronval, member of the Institute of the Academy of Medicine has presented a report to the French Academy of Sciences on the curative treatment of tuberculosis by a new method discovered by the Swiss bacteriologist, Henry Spahlinger. The method was first applied in 1913 and 1914 in hospitals in England, France and Switzerland, on patients suffering both from minor forms of tuberculosis and advanced phthisis.

Since that time those patients who were pronounced cured had been kept under observation. All of them are declared to be alive and in good health, and they have showed no symptoms of a relapse for the last six years altho they underwent no further anti-tubercular treatment of any sort. These results are vouched for among others by the London physician, Dr. Leonard L. B. Williams, fellow of the Royal Society of Medicine and the scientific bodies.

The treatment takes the form of injections of antitoxins and ferments, which are modified according to the condition of the patient. Briefly it aims first at eradicating the acute symptoms, then immunizing the patient, completing the cure and preventing a relapse. As originally described before academy of medicine Professor Letulle, the method consists of intramuscular injections of a combination of antitoxic substances and ferments. It is claimed that the treatment causes the closure of lung cavities and the disappearance of the bacilli.

MANY COMMUNITY HIGH SCHOOLS ERECTED

(By The Associated Press.) Springfield, Ill.—Over 250 township and community high schools established in Illinois under the act of 1919 have weathered the courts where many counties have been fought over constitutionality of the law. Decisions in six more cases will be handed down by the state supreme court next month.

Nearly 500 township and community high schools have been established in Illinois under various laws. Thirty were created under the 1917 law and validated by the 1919 act.

The supreme court will decide whether the Vermont township high school in Fulton, Schuyler and McDonough counties will live or die. Efforts were made to kill the district by objectors who attacked it on constitutional grounds, they claimed that altho the territory in Fulton county is larger than the territory in the other two counties combined and therefore should not control the district.

A decision in the Funk case in McLean county over the question of the validity of the act authorizing the establishment of consolidated school districts is scheduled on the advisement docket. The school district concerned is in Funk's Grove township.

In two consolidated school district cases in Adams county the Wabash railroad is objecting to paying high school taxes in the Camp Point and La Prairie school districts. This case will be decided next month.

Pike county has two cases where efforts are being made to oust boards by quo warranto proceedings.

Arguments for a rehearing of the Mt. Auburn school case in Christian county, where the validity of sections authorizing school boards to make changes in boundaries of high school districts is questioned; will be heard by the supreme court in the February term.

NEWSPAPER MEN WILL MAKE CANADIAN TRIP

Chicago—Final arrangements for the Inland Press association's trip into western Canada next summer will be made at the association's annual meeting here Feb. 15 and 16. It is announced by Secretary Will V. Tafford of Clinton, Ia.

The middle western newspaper men will be special guests of the Dominion government. The trip will be made from Winnipeg, west to the Pacific, down the coast, and back to Winnipeg. It will take two or three weeks. The question of establishing Inland Press schools will be considered, as also a report from the association's percentage committee, that requires each member of the Inland Press association to make a detailed financial statement in percentages of his business for 1920.

WILL GIVE FACULTY RECITAL

A great deal of interest attaches to the faculty recital to be given in Recital hall tonight, under the auspices of Illinois Conservatory of Music. The program will be given by Miss Ruth Melba Armstrong, mezzo contralto, and Miss Virginia Bullard, pianist, assisted by Miss Carrie Dunlap, violinist, Mr. Paul Beebe, cellist, and Miss Esther Duncan, accompanist.

DOCTOR RECOMMENDS FRUITS AND CEREALS

Boston, Feb. 9.—The man who lives on the proverbial boarding house diet of white bread, potatoes, meat occasionally, prunes and skim milk may look well, but he lacks vitality and tone. Dr. Martin Edwards, a specialist in dietetics said in an address to the Methodist Ministers' association today. He recommended fruits and cereals as the things that give mineral salts and vitality.

Social Events

Entertains Sunday School Class. Miss Miriam Russell entertained the members of her Sunday school class of Trinity church Wednesday afternoon at her home on Mount avenue. Various interesting games and the making of Valentine's furnished entertainment for the afternoon. Excellent refreshments were served by the hostess also added to the success of this little party.

Mrs. Anna Brown Entertained Club.

The Pleasant Hour Club met yesterday afternoon at the home of Mrs. Anna Brown on South East street. The afternoon's entertainment included an alphabetical Bible game, planned by the hostess. Much interest being shown in the answering of twenty-five Bible questions that had been made out. A social hour and dainty refreshments closed a pleasant afternoon.

Celebrated Birthday.

Miss Nellie Spreen and Mother Spreen celebrated their birthday anniversaries Sunday at the home of Mr. and Mrs. W. F. Spreen in Mount Heights. The guests were members of the family and a splendid dinner was served. The occasion proved one of much pleasure to all.

ADD SOCIAL EVENTS

Domestic Science Circle of Franklin Met. The regular meeting of the Domestic Science Circle of Franklin was held Tuesday afternoon at the home of Mrs. Charles McLamar. The attendance was large, a number of guests being in the company. A program of special interest was presented during the afternoon. After the program the members spent some time socially and delicious refreshments were served by the hostess.

Young Woman's Guild Met.

The Young Woman's Guild of Congregational church was entertained yesterday afternoon by Miss Irene Merrill at her home on College avenue. A business session was held and the members spent the afternoon sewing. There was a large attendance and a great deal was accomplished. The hostess served delicious refreshments at the end of the business session.

Mr. Hayden Hostess To Wednesday Class.

The Wednesday class met yesterday afternoon with Mrs. F. S. Hayden at her home on West College avenue. Mrs. A. L. Adams gave an interesting report of her recent events and also a splendid book review. Dainty afternoon tea was served, following the afternoon's program.

GAVE ALL DAY SEWING.

The women of Westminster church held an all day sewing at the home of Mrs. G. C. Guthrie on Park street Wednesday. There were eighteen of the church present, who brought their lunches and spent the entire day in sewing. Many articles were prepared for the bazaar which the church women will give March 15.

Alexander Woman's Club Met With Mrs. J. W. Reif.

Mrs. J. W. Reif was hostess to the Alexander Woman's club at its regular meeting held Wednesday afternoon. There was a good attendance of members and a number of guests, among the guests being, Mrs. George LaRue and Miss Bettie Mosley of Jacksonville. The following program was given:

Piano—Mrs. Lester Gray. Vocal—Mrs. Kenneth Beerup. Paper—"Natural Beauty of our Country," Mrs. Beerup. Short story—Silk Hanging, Mrs. C. M. Strawn. Paper—John Macaulay, Mrs. J. T. Little.

Following the program the hostess served dainty refreshments. The next meeting will be held with Mrs. Kenneth Beerup February 24.

Ebenezer Ladies Aid Society Met.

Mrs. J. C. McMillen, of 281 Sandusky street, was hostess to the Ebenezer Ladies' Aid society Wednesday afternoon. There were twelve members and eight guests present, and the afternoon proved a most pleasant one. The program included a number of readings and musical numbers, a vocal selection being rendered by Mrs. Arch Bridgman. An amusing feature of the afternoon's program was a fishing party. Each member had been requested to bring some inexpensive article, and each one present paid a fee of ten cents for the privilege of fishing for one of these gifts.

A social hour followed the program and at this time the hostess served excellent refreshments. The next meeting of the society will be held with Mrs. T. B. Fozzard on Caldwell street.

Surprise Party at Winner Home.

A surprise party was given at the home of Mr. and Mrs. J. T. Winner north of the city, recently in honor of Mr. and Mrs. Reuben Young and Mr. and Mrs. Rufus Jarrett, who are soon to leave the community for Winfield, Iowa. The evening was spent with games and music, and before the hour for departure came the hostess served delicious refreshments.

The company included Mr. and Mrs. William Jones and sons James and George; Mr. and Mrs. William Hull and daughter, Evaline; Mr. and Mrs. Rudy Strubbe and children, Paul, Cecil and Estelle; Mr. and Mrs. Thomas Parlier and children, George and Marie; Mr. and Mrs. Joseph Ryman, Misses Opal Roe and Bertha Boatman; Messrs. Russell, Paul and Ralph Ogle, William Daniel, Carl Bonham, Bud Latham, Byron Winner, Mr. and Mrs. J. T. Winner, Mr. and Mrs. Rufus Jarrett, Mr. and Mrs. Reuben Young.

Oyster Supper, Brooklyn church, Friday, Feb. 11.

CHILDREN'S LIBRARIAN TO GO TO IOWA CITY

Miss Irene Bowman, who has done excellent work in Jacksonville as children's librarian at the public library, has resigned her position and will take a similar one with the children's department at the library in Mason City, Iowa. Miss Bowman regrets to leave Jacksonville, but there are larger opportunities for the development of her work in the Iowa city.

ATTENTION CARPENTERS OF LOCAL NO. 904

We will have an oyster supper at Labor Temple Thursday evening, at 7:30.

VISITING IN CITY.

Mrs. L. S. Wilcox of Champaign, is in the city visiting for a few days at the home of her sister, Mrs. C. G. Woodman.

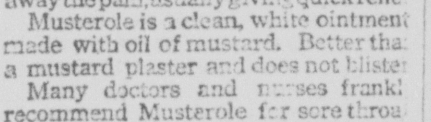

BLACKHEADS GO QUICK, BY THIS SIMPLE METHOD

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomite powder from your druggist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. The calomite powder and the hot water have just dissolved them. Pinching and squeezing blackheads only open the pores of the skin and leave them open and unsightly—and unless the blackheads are big and soft they will not come out, while the simple application of calomite powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get calomite powder at any drug store and if you are troubled with these unsightly blemishes you should certainly try this simple method.

DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When these sharp pains go shooting through your head, when your skin seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throats, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet—cold of the chest (it often prevents pneumonia). It is always dependable.

PUBLIC SALE

Monday, Feb. 14, 1921, at 10:30, horses, mules, cows, oats, straw and corn, hogs and implements. Three miles southeast of Woodson, 2 1/2 miles east of Murrayville.
ED V. SMITH & SON.

INCOME TAX FACTS YOU SHOULD KNOW.

Thousands of women are required to file an income-tax return and pay a tax on their income for the year 1920. No official estimate of the number of such women can be given by the Bureau of Internal Revenue, but statistics of income for the year 1918, just issued, show that the number of returns filed by single women for that year was approximately 266,000. The tax paid by these women amounted to \$790,902,600.

In addition there were filed approximately 83,000 returns by single women claiming an exemption of \$2,000 as heads of families, being the sole support in their households of one or more relatives. Tax collections from these women amounted to \$73,794,078.

The number of wives making separate returns from husbands was approximately 36,000 and the amount of tax collected from this source was \$333,218,794. These figures show that taxes paid by women form an important item in Government revenue.

The exemption allowed single women, or a married woman who is not living with her husband, is \$1,000. The normal tax rate on income in excess of this exemption is 4 percent on the \$4,000 of net income and 8 percent on the remaining net income. In addition there is a surtax which applies, however, only to net income in excess of \$5,000.

The term "single women" includes a widow, a divorcee, or a person separated from her husband by mutual agreement. A married woman whose income is from a separate source than her husband's may file a separate return.

A married woman living with her husband is not allowed a prescribed exemption. The exemption allowed a married couple is \$2,000. The \$2,000 may be taken by either husband or wife or prorated between them.

A woman who was widowed during the year 1920, unless the head of a family or remarried on or before December 31, 1920, may claim only an exemption of \$1,000. A wife supporting an invalid husband in a sanatorium is entitled to a \$2,000 exemption. The exemption of necessity and she is not considered for income-tax purposes to be "living apart" from her husband. If, however, there is continuous voluntary separation between husband and wife, whether or not granted by court decree, each must take the status of a single person with respect to the income tax.

MANCHESTER CHILD PAINFULLY INJURED

Little Son of John VanClive Fractures Limb by Fall—Mrs. Margaret Wyatt Entertains—Other Manchester News Notes.

Manchester, Feb. 8.—Jimmie, the four-year-old son of Mr. and Mrs. John VanClive, is suffering from a fractured limb. The child was jumping off the cellar door and fell in such a way that the limb was broken above the knee and the ligaments torn loose. Dr. Spencer of Murrayville, was called and gave the necessary attention, and although the little fellow is suffering greatly he is doing as well as can be expected. It will of necessity be some time before he is able to walk.

Elmer Aldred and little son, Richard, returned Monday from Our Savior's hospital where the latter has been a patient for two weeks. They will visit Mrs. Aldred's mother, Mrs. Belle Gidney, and other relatives here before returning to their home in Roodhouse.

Miss Mary Cummings of Godfrey, spent Saturday and Sunday with home folks.

Mrs. Margaret Wyatt entertained several guests Friday in honor of the birthday of her brother James Thomas. At noon a bountiful dinner was served which was greatly enjoyed by all present. The guests included Mr. and Mrs. G. D. Barnes, Mr. and Mrs. Chas. Dean, daughter Ruby and son Mason. Thursday being the birthday of Mrs. Dean this occasion served a double purpose.

Mrs. Robert Barber and Miss Golden Rochester spent Friday in White Hall.

Mr. E. B. Cummings and Mrs. Frank Blackburn shopped in Roodhouse Saturday.

Word was received here Sunday morning of the death of Mrs. Walter Hardy at Passavant hospital.

John Thady who is stationed at Camp Grant is enjoying a visit at the home of his parents, Mr. and Mrs. Chas. Thady.

Mrs. Geo. Cooper who returned from Passavant hospital Wednesday, is slowly improving.

Miss Bessie Haynes of Murrayville, spent Saturday and Sunday with Mrs. Chas. Smith and attended the meetings at the Baptist church.

Misses Martha and Edna Aldred who have been employed in Jacksonville for several months, are home for a few weeks vacation.

Mr. and Mrs. L. C. Funk, Mrs. Belle Potts and Wm. Clark spent Sunday in Lincoln, where they attended the funeral of a relative.

Mrs. Ray Krebaum and little daughter, returned from Virden Monday, where they spent several days visiting relatives in Roodhouse.

Dr. Lucas of Jacksonville, made his regular visit to this place Saturday.

Geo. Edmundson of Portland, Ore., spent several days with his aunt, Mrs. Wm. Arendell last week.

NOTICE TO TAXPAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress, and sale of goods and chattels of such person." Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying through the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD,
Sheriff and Ex-Officio Collector

INCOME TAX BLANKS SLOW IN RETURNING

Springfield, Ill.—Income tax blanks are not being returned from the Eighth Illinois district as rapidly as had been expected, according to John L. Pickering, internal revenue collector here. More than 130,000 blanks were sent out the first of the year, although all returns must be made before March 15, only about 35,000 were returned during the first month.

According to Mr. Pickering total receipts for the year will fall short about \$10,000,000 of last year. Farmers' returns as a rule, he declared, will show great losses.

On Feb. 10, Mr. Pickering will leave here for a two weeks' tour through the district in an effort to spur the filing of returns. He will visit Vandalia, Centralia, Mt. Vernon, Benton, Marion, Murphysboro, Cairo, Harrisburg, Carmi, Mt. Carmel, Olney, Lawrenceville, Robinson and Paris.

The Eighth district in which Mr. Pickering has charge of collections, comprises the southern half of the state from Henderson, Warren, Knox, Peoria, Marshall, LaSalle, Grundy, and Kankakee counties.

ATTENTION O. E. S.

Work to day at 4 p. m. and 7:30, supper at 6.

CLOSING OUT SALE.

At farm, 1/4-mile north of Woodson, Tuesday, Feb. 15. Commencing at 11 a. m., consisting of horses, mules, cows and farm machinery.
W. E. McCurley.

FARM BUREAU NOTES

Breeders plan sale.—Morgan County Breeders Association decided on Saturday to hold a combination sale of Duroc and Poland Chinas on February 19th. Hugh McDevitt and J. L. Henry were appointed a committee to secure a place for the sale. Claude Kennel and Bert Way a committee on advertising. Austin Patterson and Howard Stevenson a committee on catalogue.

More Legumes as Means of Fighting Chinch Bugs in 1921.

It has been said with much truth that farming is the greatest gambling game in the world, for when everything is considered, there are many factors of crop production over which even the most careful, far-sighted, and painstaking farmer has absolutely no control. He must, each season, take chances on too much or too little rain at certain times of the year; too hot or too-cold a season; early or late frost; attacks of insects and fungi; and several other factors which may destroy his crop and about which he can tell nothing when planning the acreage of each crop. Sometimes nature is kind enough to warn us in advance that some of these factors may be more than usually important during a certain year, and this is just what she has done for the season of 1921.

We know that in nearly half of the state chinch bugs are hidden away in their winter quarters in such numbers that they will cause enormous destruction to all grass crops if the coming May and June prove moderately warm and dry. We know, too, that chinch bugs will not harm any crops belonging to the legume family. Cowpeas, soybeans, alfalfa, red, alsike and sweet clover, in fact any legume which we can grow, is entirely immune from injury by this tremendously destructive little insect.

On the other hand, we know that every crop belonging to the grass family, which includes all our small grains and corn, will be seriously damaged through the south half of the state if these insects are as abundant next season as now seems highly probable. Several of the legume crops have proved fully as profitable as the grains in this section of the state. Knowing the situation as we do, it is highly important that the largest possible acreage of legumes be grown next year. By doing this farmers will not be sure of having a crop which the bugs will not damage next season, but as the chinch bugs will not feed and consequently cannot breed and multiply on the legume crops, they will be adopting one of the best methods known of reducing the number of the bugs in the season of 1922.

Value of skim milk and tankage for pigs.—One pound of tankage has about the same feeding value for pigs as 10 to 12 pounds of skim milk or buttermilk when each is used in the proper proportion. Stated in another way, 100 pounds of skim milk has a feeding value of about 8 to 10 pounds of tankage. There are several guides that may be used in estimating the value of each feed. One is that a pound of tankage should be purchased for about 1-2 the price of live hogs per pound. Another is that 100 pounds of skim milk should be purchased and delivered for about 40 percent of the price of a bushel of corn. It is also sometimes said that 4 1-2 pounds of skim milk are equivalent in feeding value to 1 pound of corn. Rather than not use any protein supplement to corn, one could afford to pay more than above stated for either feed.

CLOSING OUT SALE
Feb. 12th, one mile west of Nortonville, hay, grain, cows, horses, implements.

The NEW EDISON

"The Phonograph with a Soul"

Help Edison

Take some Mood Change Charts home and make this experiment!

Let's imagine you have just come home from shopping. You are tired and nervous. You step to the New Edison and put on an Edison Re-Creation. Gradually the music soothes you. You forget fatigue and your "nerves" disappear. You feel refreshed and light-hearted.

Mr. Edison in his present great research is studying into the effects of music on the minds and moods of men.

Will you fill out a Mood Change Chart, and do your bit for Mr. Edison's research?

Make the experiment in your own home. Come in. Let us give you a supply of Mood Change Charts. Have your family and your friends fill them out. They will find it more fun than Ouija.

If you don't own a New Edison, fill out a Chart in our store! Better yet, we will lend you a New Edison and a program of Re-Creations so that you can give a Mood Change Party in your own home.

SEED CORN—We have a wonder-
ful season at Mason City this
year for maturing seed corn
with the result that we have the
finest lot of well dried 1920 crop
of seed corn that we have ever
grown. This corn is gathered
early in the fall and placed on
drying racks when it is very
slowly dried down to twelve or
fourteen percent moisture con-
tent. This seed corn is of very
high vitality. We have been in
the seed corn business in a large
way for over thirteen years and
have the largest and best
equipped drying plant in the
world. Our down town plant
is in the center of Mason City,
right on the hard road between
Springfield and Peoria. It is
well worth a trip to Mason City
to see this corn. Price is only
\$3.50 per bushel. Write for
beautifully illustrated cata-
logue. Box 44.

WESTERN UNION OFFICIALS HERE
Were on Inspection Trip of Various Offices—Find Local Plant in Fine Condition.

BLUFFS BOY PASSES AWAY WEDNESDAY
Stanley Taylor Succumbs to Complication of Diseases.

The local Western Union Telegraph office was visited yesterday by three high officials of the company. The party included A. R. McGrath, district commercial superintendent; C. O. Kuhns, district commercial manager and W. E. Woods, equipment supervisor.

The officials found the local office in very fine condition. Commercial Manager Joseph L. Pina has recently had his department put in first class shape and has had a company man here putting new letters on the windows.

Phil A. Heneghan, engineer in charge of the local office said that within a short time some new equipment would be added to the traffic department. An estimate is being made and Mr. Heneghan has asked for some of the latest type of equipment.

HAVE BEEN WEDDED FOR FIFTY YEARS

Mr. and Mrs. Andrew Bacon Yesterday Celebrated Their Golden Wedding Anniversary.

Mr. and Mrs. A. J. Bacon who reside east of the city, celebrated their fiftieth wedding anniversary Wednesday. Fifty years ago yesterday the two were married in the same house in which they are now living, and in which they yesterday, celebrated the close of fifty years of happy, useful wedded life. Rev. Harrison Osborne, an old time minister of this vicinity, performed the ceremony.

Mr. and Mrs. Bacon have lived in Morgan county ever since they were married with the exception of five years, spent in Missouri when they were first married. They have one daughter, Mrs. Dan Moy and three grandchildren Frances, Edward and Audrey Moy, all of whom were present at the celebration held yesterday.

In the evening one hundred and twenty-five guests gathered and enjoyed a beautiful two course dinner at the Bacon home. A color scheme of gold and white was used in carrying out the golden wedding idea. Beautiful yellow flowers were used with charming effect in the house decorations. After an excellent menu was served the guests enjoyed the generous hospitality of the Bacon home until a late hour. Mr. and Mrs. Bacon were the recipients of many lovely gifts and many expressions of good will and esteem from their many friends and neighbors who were guests of the evening.

The host and hostess were assisted in entertaining by Mr. and Mrs. Stephen Dunlap, old time friends who have been near neighbors of Mr. and Mrs. Bacon for fifty-five years. They celebrated their fifty-fifth wedding anniversary Tuesday. Among out of town guests were: Mr. and Mrs. Charles Savage, Mr. Bergen and Mrs. Montgomery of Virginia; Mr. and Mrs. Charles Stevens of Little Indian and Mrs. P. L. Richardson of Springfield.

SLEEPING SICKNESS SYMPTOMS DESCRIBED

There have been several cases of sleeping sickness in Jacksonville recently. For months past cases of this strange malady have been appearing in various parts of the country. Matter relating to this disease printed on the Norbury sanatorium monthly "blotter" is of timely interest.

It has been the custom for some time of the sanatorium management to issue the blotter monthly. One side carries a very effective picture of the sanatorium grounds and the reading matter beneath is changed each month. The statement with reference to sleeping sickness was prepared by Dr. Frank P. Norbury and is as follows:

"The reappearance of Encephalitis Lethargica (Sleeping Sickness) in Central Illinois, seemed put one on his guard as to its early recognition. Three cases have come under our observation during the month of January. Let us briefly call attention to the chief characteristics of the disease as given by Tinley and Howe. (1) It tends to appear in epidemic form. (2) It produces prolonged somnolence or a state closely resembling lethargy. (3) It gives rise to palsies of cranial nerves. (4) It causes marked asthenia. (5) It is pathologically based upon an acute encephalitis. The types are: (1) The lethargic. (2) The cataplectic. (3) The paralytic. (4) The polioencephalic. (5) The anterior poliomyelitic. (6) The posterior poliomyelitic. (7) The epilepto-maniacal. (8) The acute psychotic. The disease is to be differentiated from meningitis (tuberculosis and acute cerebrospinal forms) from encephalitis, syphilis, typhoid fever, diphtheria, paralysis, uraemia, botulism, hysteria, cerebral tumor and acute mental disorders.

"A patient presenting somnolence with cranial nerve palsies, notably of the motor-ocul, fever of a low grade (not on average), tremor, rigidity, slight apnoea, restlessness, profound exhaustion, and developing slowly should put one on his guard. The chief treatment is instituting the better. The patient should be in bed, isolated and the disease treated from the standpoint of its being communicable. Elimination, plenty of water—Murchison drip if necessary—and careful, frequent feeding are indicated. The case should be individualized in order to conserve strength. The danger of exhaustion is paramount.

DELAHIAN SOCIETY IS ORGANIZED IN CITY
Jacksonville Chapter of National Organization Formed at Meeting at Public Library Wednesday Evening.

The organization meeting of the local chapter of the National Delphian Society was held in the Carnegie Library Wednesday evening. The following officers were elected to serve until the end of the chapter year.

President—Mrs. Roy Scott.
Vice president—Mrs. John E. Rose.
Secretary—Mrs. Wm. Barr Brown, Sr.
Treasurer—Miss Violet Davis.
Advisory board—Mrs. A. H. Dollear, Mrs. Homer Potter, Mrs. Geo. S. Rogerson.

The Delphian is a nation wide movement to aid and encourage women to increase their fund of information in History and Literature and to a keener appreciation of the Fine Arts. A topic is dealt with until one has reviewed their former knowledge of it and added something to that store. Ordinarily, systematic reading even of short periods will bring greater results than a longer time spent only occasionally.

Jane Addams in her constant pleas for the leavening of the whole has often deplored the fact that college students go out into the world to form their "Brownings" clubs among each other instead of among those who were forced to forego college training. Holding learning as the possession of the favored few does not tend to rapid progress of civilization. No country or city can ever be judged by its few privileged ones, but its advance depends upon the uplift of the people generally.

The Delphian society works for the popularization of learning. It holds that matters worth while are capable of expression in simple language, and simplicity is one of the foundation stones of Delphian.

The reading stimulates creative thinking and in the round table discussions at the meetings there is an opportunity to express individual ideas and experiences.

It was decided to hold the regular meetings the 2nd and 4th Monday afternoons of each month at 2:30 o'clock.

The president will lead the first meeting which will be held Monday, Feb. 28, at 2:30 in the library. The topic is, "Primitive Man."

The charter membership consists of the following progressive Jacksonville women: Miss Miriam Russell, Mrs. John Cleary, Mrs. Geo. S. Rogerson, Mrs. Wm. Barr Brown, Sr., Miss Harriet Coleman, Mrs. Mary M. Strawn, Miss Violet Davis, Miss Sallie Stacy, Mrs. A. H. Dollear, Mrs. E. M. Tindall, Mrs. Chas. L. Mathis, Mrs. Homer Potter, Mrs. G. Roy Scott, Mrs. John E. Rose. The following are auxiliary members: Mrs. W. B. Groves, Miss Hazel Strawn, Mrs. Shirley Frye, Mrs. Elizabeth Arnold, Mrs. Lucy Davis, Miss Marie Pless, Miss Alice N. Mathis, Miss Helen D. Mathis, Mrs. Geo. T. Douglas.

Miss Mary E. Monahan.
Miss Cora E. Carithers.
Miss Cora E. Carithers.
Field Secretaries.

LESTER A. REED HELD ANNUAL DUROC SALE

Satisfactory Prices Prevailed, the Sale Totalling \$6,442.50—Several Head of Shorthorn Cattle Sold.

Lester A. Reed held his annual Duroc hog sale at his farm south-east of the city Wednesday. While market conditions have not been favorable, the result of the sale shows that breeders undoubtedly have confidence in the future.

No extremely large prices were paid at yesterday's sale but there was a uniformity of prices that made the sale as a whole satisfactory to Mr. Reed. In addition to the hogs, several Shorthorn cattle were offered for sale and brought good prices. The sale totalled \$6,442.50.

An orchestra furnished music during the day and the Ladies' Aid of Ashbury prepared the lunch which was put up in boxes and this was served at Mr. Reed's expense as is usual at his sales.

L. L. Seeley of White Hall, C. M. Strawn of Alexander and C. J. Wright of this city were the auctioneers, while S. J. Camm and W. E. Barrow served as clerks. The following field men were in attendance at the sale:

R. L. Comer, Duroc Bulletin.
A. R. McCallister, Duroc Digest.
F. A. Scott, St. Louis Livestock Reporter.

H. M. Watson, Prairie Farmer. The names of bidders and prices paid are as follows:

MINNETONKA COUNCIL IN ANNUAL ROLL CALL

Was Held in Hall on West State Street Wednesday—Program Carried Followed by Refreshments.

Minnetonka Council No. 71 Degree of Poehontas held its annual roll call in their hall on West State street Wednesday evening with over 125 members and many visitors were present.

Leora Seymour presided during the roll call and program which was as follows:

Song—America.
Reading—Dorothy Dunavan.
Roll Call.
Piano—Dale Leurig.
Dialog, "How to Keep a Secret"—Lillie Robinson, Charlotte Suiter, Mary Seymour, Clara McKay, Faye Fenslemaker, Dorothy Huffman, Grace Cowgur, Laura Larson, Mary Olds.

During the business session three applications for membership were received by the council.

Following the program excellent refreshments were served and the members and their guests spent some time socially.

The following committees were in charge of the roll call:

Entertainment—Laura Larson, Mary Olds, Dorothy Huffman.
Social—Emma Eckels, Lou Leurig, Lucilla Hoover, Faye Fenslemaker.

MORGAN

Clyde Williams was a business caller in Ironville Friday.

Rose Smith and family will move into the M. V. Hatches farm March 1 and will work for Chester Williams this summer.

Rev. and Mrs. Middleton of Chapin spent Thursday with Mr. and Mrs. George Coulson.

Mr. and Mrs. Athol Garner spent several days in Virginia this week with the former's parents.

Several from this vicinity attended a meeting at the opera house in Chapin Friday night for the benefit of the farmers.

Irvin Coulson has been remodeling the interior of his tenement house at Morgan.

WINCHESTER WOMAN'S CLUB HELD MEETING

Mrs. Anna Coultas Hostess to Woman's Club Members Wednesday Afternoon—Jesse Camerer Holds 8th Annual Winchester Terms of Interest.

Winchester, Feb. 9.—Members of the Women's club met Wednesday afternoon at the home of Mrs. Anna Coultas on North Main street. After the regular business session Miss Dow, community nurse, was introduced and gave a most interesting talk on infants and children. The club voted the sum of \$10 toward the baby feeding fund. The hostess, assisted by Miss Miner and Mrs. Gauges, served delicious refreshments.

Chester Neat left Wednesday afternoon to spend the remainder of the week in St. Louis.

Mrs. C. L. Golding and Mrs. Kate Golding of Alton, arrived Tuesday night to visit at the home of Mrs. Edward Smith and family.

Mrs. T. D. Smith has been confined to her home the past week on account of illness.

The Standard Bearers of the Methodist church met at the home of Miss Opal McCarthy Monday afternoon. A very enjoyable program was presented during the afternoon and before the guests departed the hostess served delicious refreshments.

Jesse Camerer held a sale of surplus stock Wednesday afternoon, disposing of cows, horses and grain. One cow brought the sum of \$70, another \$60; one team sold for \$300 and a horse for \$125. Col. McVey of Road House, was the auctioneer and Edward McCassey was the clerk.

Mrs. Frank Sherrer and daughter Evelyn, left Wednesday for St. Louis to visit relatives.

John Lech was a business visitor in St. Louis Tuesday.

E. D. Watt and wife have returned from a business visit in St. Louis, where they also spent some time with their daughter, Miss Margaret.

Mrs. George Stewart left Wednesday for St. Louis, to visit at the home of Mr. and Mrs. Leonard Taylor and family.

Mr. and Mrs. Holbert and Miss Katherine Ladd attended the automobile show in St. Louis.

CIRCUIT COURT ORDERS.

In the circuit court yesterday Judge F. W. Burton entered a number of orders as follows:

In the foreclosure suit of A. J. Leslie vs. Sallie Chance, the court approved the report and Frank Korsmeyer was named as receiver with bond in the sum of \$5,000.

In the suit of Margaret T. Loner-gan vs. Thomas Lighthart, et al., brought to quiet title, a decree was entered in accordance with the prayer of the complainant.

In the partition suit of Frank Tendick, et al. vs. Beatrice Tendick, decree was entered and an order made appointing commissioners.

In the partition suit of Emma G. Lazenby vs. J. W. Lazenby, master's report was approved and decree entered.

In the divorce suit of Stella Lawsoff against Frank Lawsoff, order of dismissal was made at the request of the complainant and at her cost.

In the divorce suit of W. J. Bryant vs. Nettie Bryant, decree was entered in favor of the complainant on a statutory charge and he was given custody of the children.

In the suit of F. J. Andrews Lumber Co. vs. Homer Winter, the suit was dismissed on motion of the complainant.

In the divorce suit of Ethel O'Rourke vs. Daniel O'Rourke the default of the defendant was noted.

In the divorce suit of Grace Nunes brought against her husband, Samuel Nunes, the court entered a decree. Divorce was granted on the charge of cruelty.

The term report of State's Attorney Carl E. Robinson was filed and approved.

ITALIAN ORCHESTRA (La Scala, Naples.)
TOSCANINI, Conductor.
Springfield Arsenal, Friday, February 11th.

AUTO SHOW TO INCLUDE ALL LINES OF ENDEAVOR

The coming automobile show and merchants' exposition announced for the week of March 7 is not to be confined by any means to the showing of autos and kindred articles. It is desired that as many of the business men of the city as can will arrange to secure a booth at the show to advertise and demonstrate their goods. Many merchants already have spoken for space, and as the space necessarily is limited somewhat others contemplating getting in on this exposition should so John Wilkinson, the show manager, at the Douglas hotel, as early as possible. Every person in Jacksonville selling service to the public, whether it be clothing or insurance, a lodge or school, or a demonstration in home cooking is eligible. The sole idea is to put Jacksonville on the map in this trade territory, to boost for our home town.

CARPENTERS NOTICE

WITH THE SICK

Mrs. George Tremblitt, who has been seriously ill at her home in the Cherry apartments, is now much improved in condition.

Clifford James underwent an operation recently at Passavant hospital. His many friends will be glad to know that he is showing steady improvement.

Mrs. Robert Mullenix, is confined to her home by an attack of scarlet fever.

Mrs. C. H. Clark of Jordan street is a patient at Our Savior's hospital, following an operation.
